EDUCATION

- B.E. Computer Science Engineering (AI & ML) Finolex College of Management and Technology, Mumbai University ·Ratnagiri
- Aug 2023 – May 2027
CGPA: 9.138/ 10

PROJECTS

- **Talksense**
Built an AI-powered speech analysis platform that evaluates communication effectiveness using real-time speech analytics, sentiment analysis, and personalized performance feedback.
- **Cricket Analytics & Wicket Prediction AI**
Built a machine learning-based cricket analytics platform to evaluate player performance and predict wicket probabilities.
- **WebShotSim**
Developed a computer vision-based gesture recognition system simulating Spider-Man web-shooting interactions.
- **Student Attendance Analysis Application**
Designed and developed an attendance tracking tool for teachers and students.
- **CookBook Website**
Designed and developed a cooking website for users who are interested to learn and explore new recipes.
- **Bus Tracking Application**
Developed a real-time Bus Tracking Application enabling live location updates and improved commuter convenience.
